

## REGISTRATION PROCESS

The **presenting author** (not all co-authors) must register **only after receiving an official acceptance email** from the conference organizing committee. The **certificate of presentation and fee receipt will be issued solely in the name of the registered presenting author**.

**Interested Attendees and non-presenting co-authors** may register **at any time** by paying the applicable registration fee through the designated account and completing the online registration form. They must also **upload the required documents**, such as the payment receipt, during registration.

The presenting author should register for this conference as per the following procedure:

### **Step I: Paper Formatting**

Authors must revise their manuscript by the reviewers' comments and prepare the final camera-ready version using the standard template in .docx format. A point-wise reply to reviewers' comments (as per the prescribed format) should also be prepared. Additionally, authors must download, complete, and keep ready the **copyright transfer form & Certificate of originality** for submission along with other final documents. All templates and forms are available in the **Download Section** of the conference website.

### **Step II: Payment of Registration Fee**

The registration fee must be paid through **online mode only**. Detailed information regarding the fee structure for different participant categories is available in the **conference brochure** and under the **Registration** section.

### **Step III: Filling the Online Registration Form**

Complete the registration form and upload the following documents via the registration link:

Final camera-ready manuscript (.docx)

- Signed copyright & originality certificate (in PDF)
- Registration fee payment receipt (in PDF)
